Rochester	PLAN

The Rochester Ranch is an open floorplan with 1076 sq feet of living space on the main floor. This floor plan entails 2 beds, 2 baths, an open living space with large living room open to the kitchen with a walk-in pantry and great island that looks to the dining area and has a door to the deck. The master bedroom features a walk-in closet and a ¾ bath. The main floor is finished out with laundry off the garage with coat closet. The basement entails a walkout with sliders to a patio, 876sqft with 2 more bedrooms, a bathroom and a great family room. Pictures are for marketing purposes only, and may not fully be reflected of the complete home. School boundaries are subject to change. Please check with school district to verify schools.

FEATURED UPGRADES
