Mansfield	PLAN

This beautifully designed multi-level home offers an open floor plan with soaring vaulted ceilings and 1,104 finished square feet across the main and upper levels. The main floor features a convenient laundry room just off the oversized, insulated, and fire-taped garage, complete with a built-in bench and hooks for a functional drop zone. The kitchen includes a center island and flows seamlessly into the dining area and spacious living room—ideal for everyday living and entertaining. Upstairs, you'll find two bedrooms and two bathrooms, including a primary suite with a tray ceiling, walk-in closet, and a stunning tiled walk-in shower. The covered front porch adds charm and curb appeal, while the oversized back deck offers plenty of room to relax or entertain outdoors. The finished third level adds 450 sq ft of additional living space, including a third bedroom, full bath, and a cozy family room. The walkout lower level includes 420 sq ft of unfinished space, offering future potential for a fourth bedroom and a flex room—ready to be customized to fit your needs. School boundaries are subject to change—please verify with the district.
