Mansfield	PLAN

This home combines style, comfort, and flexibility in a smart open floor plan. The main level welcomes you with vaulted ceilings that make the living room feel bright and spacious. The kitchen features a center island that flows into the dining area, perfect for meals and entertaining, while the nearby laundry room with bench and hooks makes daily living convenient. Upstairs, you'll find 2 bedrooms and 2 bathrooms, including a private primary suite with a beautifully tiled walk-in shower. The finished 3rd level adds even more living space with an additional bedroom, full bathroom, and family room. The lower level also includes 420 sq. ft. of unfinished space, giving you the option to create a 5th bedroom and a flex room to fit your lifestyle. Outdoor living is just as inviting with a covered front porch for relaxing and a covered back deck for entertaining. This home delivers space, comfort, and future potential all in one.

FEATURED UPGRADES

- Tiled Master Shower
- Covered Deck
