This ranch-style home is a well-thought-out, fully finished floorplan with over 1,600 square feet of living space and upgraded selections throughout. The main level offers 3 bedrooms and 2.5 bathrooms, including a master suite with a tray ceiling, dual sink vanity, luxurious tiled walk-in shower, and an oversized walk-in closet. The open living room flows into the kitchen, which features quartz countertops, a walk-in pantry, and an oversized island. The dining area has slider doors leading to a covered composite deck with cedar railing and metal spindles—perfect for outdoor relaxation overlooking the sodded yard with irrigation. The insulated and firetaped garage includes a hot/cold spigot for added convenience. The walkout lower level adds another two bedrooms, a full bathroom, and a spacious family room, creating the perfect balance of comfort and functionality.
