This thoughtfully designed ranch-style home offers 1,113 sq ft on the main level with 2 bedrooms and 2 bathrooms. The open-concept living space features a bright living room with an electric fireplace and a dormer window that brings in an abundance of natural light. The living room flows seamlessly into the kitchen and dining area, creating a great space for entertaining. The dining room includes sliding doors that lead to the deck for easy outdoor access. The private master suite features a tray ceiling, dual sink vanity, tiled walk-in shower, and a spacious walk-in closet. A second bedroom and full bathroom complete the main living area. Just off the garage you'll find convenient storage with a coat closet and a drop zone with bench and hooks, along with a separate laundry room located on the main floor. The insulated garage is finished through paint and texture and includes a floor drain and service door. The home also comes with a full standard yard, offering plenty of outdoor space to enjoy.
