This Rawlings Ranch is an open floorplan with 1183 sqft on the main and an unfinished basement. The main living space offers an open, airy feel with a vaulted living room that flows into the L-shaped kitchen and dining area, complete with a slider to the deck. Vinyl plank flooring runs through the living room and hallway for a clean, modern finish. The kitchen features a large island and a pantry for extra storage. The main floor includes a secondary bedroom and a spacious master suite with a tray ceiling, walk-in closet, and a ¾ bath featuring a tiled walk-in shower and a dual sink vanity. The garden-level unfinished basement adds fantastic future potential for two more bedrooms, a bathroom, and a large family room. The garage is insulated and finished to firewall.
