PLAN

Welcome home to this beautifully designed ranch-style home offering the ease of main-floor living with room to grow! The thoughtfully designed floor plan features a spacious primary suite complete with a walk-in closet and private ensuite bath, along with a second main-floor bedroom and full bathroom. The open-concept kitchen, dining, and living areas create an inviting space for everyday living and entertaining, while the convenient main-floor laundry adds extra functionality. Step outside to enjoy the deck overlooking the backyard, perfect for relaxing or hosting guests. The attached 2-stall garage provides ample storage and convenience. The garage is insulated & finished to the firewall. The unfinished walkout basement offers incredible potential to customize the space to fit your needs, with room for additional bedrooms, a large family room, a bathroom, and storage. With a walkout to the backyard, this lower level is ready to become a bright and welcoming extension of the home. A well-designed layout, desirable ranch-style living, and endless possibilities in the walkout basement make this home one you won't want to miss!
