Welcome to this beautifully designed ranch-style home offering modern comfort, thoughtful design, and room to grow. The open-concept main living area features a vaulted ceiling, creating a bright and spacious atmosphere that seamlessly connects the living room, dining area, and kitchen—perfect for everyday living and entertaining. The kitchen is designed with functionality in mind, featuring a center island, ample cabinetry, and easy access to the dining space and outdoor deck. The private primary suite includes a walk-in closet and a well-appointed ensuite bath, while a second main-floor bedroom and full bath provide flexibility for family, guests, or a home office. Convenient main-floor laundry and a spacious 3-stall garage add to the home's practicality and appeal. Step outside to the deck, an ideal spot for morning coffee or evening gatherings. The unfinished lower level offers incredible potential with space planned for two additional bedrooms, a full bathroom, a large family room, and plenty of storage—allowing you to customize the home to fit your lifestyle while building instant equity. The 3-stall garage is insulated and finished with fire tape.
