PLAN

River Park is a thoughtfully designed new residential development in Brandon, SD featuring a peaceful neighborhood setting with convenient access to parks, schools, and all the amenities of nearby Sioux Falls. This zero-entry, two-story home is a well thought out floorplan with over 1700 square feet of living space and luxury vinyl plank flowing throughout. This home offers 3 bedrooms and 2 bathrooms, including a main floor master suite with a tray ceiling and master bath -- featuring an oversized walk-in closet, walk-in tiled shower, and dual sink vanity. The upper level includes the two additional bedrooms, a bathroom, and loft space. The kitchen, which has a walk-in pantry and large island, is open to the living room -- perfect for entertaining. The dining area has slider doors to a covered concrete patio. The large windows create great natural light throughout the home. Enjoy the functionality of having a half bath and designated laundry area right off the garage, which is insulated and finished to firewall.
