Discover the perfect blend of comfort, functionality, and future potential in this thoughtfully designed ranch-style home. The open-concept main floor features a spacious living room that flows seamlessly into the dining area and kitchen, creating an inviting space for both everyday living and entertaining. The private primary suite offers a walk-in closet and ensuite bath, while a second main-floor bedroom and full bathroom provide flexibility for family or guests. Convenient main-floor laundry and ample storage add to the home's practical appeal. Step outside to enjoy the spacious deck, perfect for relaxing or hosting gatherings. The oversized 3-stall garage offers abundant room for vehicles, tools, and recreational equipment. Looking for additional space? The unfinished basement is already designed with room for two additional bedrooms, a large family room, a full bathroom, and storage space—allowing you to build equity while customizing the lower level to fit your needs.
