PLAN

Welcome to this beautifully designed ranch home offering the perfect combination of comfort, space, and functionality. The main floor features an open-concept layout with vaulted ceilings that create a bright and inviting atmosphere throughout the living room, dining area, and kitchen. The kitchen offers a center island, ample cabinetry, and a layout ideal for both everyday living and entertaining. The primary suite provides a private retreat with a walk-in closet and ensuite bath, while two additional bedrooms, a full bathroom, and convenient main-floor laundry complete the main level. The unfinished basement offers incredible potential for future expansion, with room to add additional bedrooms, a family room, bathroom, and plenty of storage space—allowing you to customize the home to fit your needs for years to come. An attached 2-stall garage adds convenience and extra storage. With its desirable ranch-style design, functional floor plan, and opportunity for future growth, this home is ready for its next owner to make it their own. The garage is insulated & finished to fire wall.
