PLAN

Living in Meadow Ridge, on the northwest side of Sioux Falls offers convenient access to major interstates, a friendly neighborhood atmosphere, and proximity to growing communities and amenities. The Mansfield offers impressive, vaulted ceilings and 1,106 finished square feet across the main and upper levels, with a thoughtfully designed layout ideal for everyday living. The main floor features convenient laundry just off the insulated garage, complete with a coat closet. This floor plan also offers an open kitchen with an island that flows into the dining area and spacious living room. The upper level includes two bedrooms and two bathrooms, highlighted by the primary suite with a tiled walk-in shower. The finished third level adds 450 square feet of living space with a third bedroom, bathroom, and family room, while an additional 420 square feet remains unfinished and ready for a fourth bedroom and flex room. Enjoy peaceful views with no backyard neighbors, plus a welcoming covered front porch for added curb appeal.
