PLAN

Step into this beautifully designed ranch home featuring an open-concept floor plan, vaulted ceilings, and a layout that perfectly balances comfort and functionality. The spacious living room flows seamlessly into the dining area and kitchen, creating an inviting space for entertaining and everyday living. The kitchen offers a center island, pantry, abundant cabinetry, and convenient access to the covered deck—perfect for enjoying your morning coffee or relaxing evenings outdoors. The private primary suite features a tray ceiling, walk-in closet, and a well-appointed en-suite bath with tile shower. Two additional bedrooms, a full bath, and main-floor laundry provide flexibility and convenience for families, guests, or a home office. The oversized 3-stall garage offers plenty of room for vehicles, storage, and hobbies. The garage is insulated & finished through firewall and has a floor drain for convenience. A covered front porch adds welcoming curb appeal, while the unfinished lower level provides endless opportunities for future expansion with space for additional bedrooms, a family room, bathroom, and storage. Thoughtfully designed with quality finishes and room to grow, this home is ready to fit your lifestyle for years to come.
